**Choose Bull Hotels.**

The main objective of Bull Hotels is to keep you and our employees safe, that is why we are training our staff and transforming our hotels so that we can open with the safest measures against COVID19. You can read our alliance with **Preverisk**.

We are also aware of the need to be flexible in order to adapt ourselves day by day to these times of changes, for this reason and so that you can keep your reservations with us, we offer you the change of dates free of charge and without additional costs, also respecting the price at which you had reserved. This offer is applicable for all Summer 2020 reservations (May 1 to October 31, 2020) to travel until January 31, 2021 (except from 24/12/2020 to 02/01/2021).

We maintain our **cancellation policies** (without charges 24 hours before your arrival), only by making the reservation on our **WEBSITE**.

If you have any questions, you can always contact us through email, in the **contact section**.

The Bull Hotels family wishes to see you again very soon, in the best possible security conditions so that you only dedicate yourself to enjoying 100%.
