A magic location in a unique setting

WELCOME TO CAN LLUC

Our story

In 2000, married pair Tina Soriano and Lucas Prats began entertaining the idea of their estate one day becoming home to one of Ibiza's most magical agritourism outfits. The two set about transforming the old ranch home of José Prats Costa, Lucas's grandfather, into a boutique hotel in the heart of the Ibiza countryside.

Lucas and Tina have created the perfect venue and organisation for those who wish to create a special and unique celebration in the heart of Ibiza, in a rural, privileged area, where you can breathe the true essence of the island.

Weddings here are both intimate and romantic. Couples find Can Lluç to be everything they are looking for: the enviable natural surroundings—the mix of harmony, tranquility and a keen eye for detail—unleash the true beauty of the moment.
