

RULES FOR PETS

Duerming Playa Mar Cachadiñas reserves the right to admit pets based on the criteria of the Management and its internal policies. **The priority is the comfort and tranquility of all.**

- The pension reserves the right to assign a certain type of room specifically for people traveling with animals.
- All pets must bring their bed. If you need a feeder/drinker, ask at the reception.
- Pet food must be properly sealed except at meal times, not being able to leave food in the feeder.
- It is forbidden for pets to climb or sleep on the furniture of the room or the pension.
- It is essential that vaccinations and deworming are up to date. The card or passport of the pet that accredits it may be required.
- WITHOUT EXCEPTION they must wear their leash properly tied to the neck in any area of the pension property.
- All pets must ALWAYS be under adult supervision.
- The owner must OBLIGATORY collect the droppings of his pet anywhere on the premises of the pension, including the gardens.
- The pension offers you a pack of bags in this welcome kit, for the collection of excrement in case you need it (please, make use of them). If you need more bags, ask for them at the Reception.
- Pets cannot be inside the room when performing the cleaning service. Please let your floor maid or reception know so they can make up your room.
- Any damage caused by the pet is the responsibility of its owner.
- The space and tranquility of other guests must be respected.
- The hygiene of the pet is the responsibility of the owner in charge.
- All pet owners must leave a mobile phone number to be able to locate it in their absence, in case the animal is alone in the room causing possible inconvenience to other clients of the pension.

Please be a responsible owner with your pet. Thank you.

**These rules are so that we can all live together. If they are not respected, the Management is free to suspend the service to the owner(s) of the pet.*
