- Pets are only allowed in certain rooms/suites.
- The accommodation of your dog will have a supplement in the room of 10 € /night (V.A.T. included).
- Only one dog is allowed per room with a maximum weight of 20 kg, unless otherwise authorized by the management.
- Please note that there may be other guests in the hotel who may be allergic or upset by your dog's presence. Please respect other guests by keeping your pet by your side at all times.
- In the common areas of the hotel your dog should always be on a leash. Your dog is not allowed in the lounge during breakfast.
- Our priority is to respect our clients' rest and relaxation on their vacation. In case of noise or inconvenience caused by the pet, Es Pas reserves the right to cancel your reservation and/or invite you to leave the hotel.
- For everyone's safety, your dog should never be left alone in the room. If you have to be absent, always leave it in its carrier so that the Technical Services or Cleaners can access your room without complications. If you do not have a carrier, you can leave your dog tied up. If your dog is left alone in the room, please let us know. The hotel reserves the right to cancel the daily cleaning of your room and disclaims any liability arising from failure to comply with this rule.

- It is forbidden to bathe your dog in the bathroom of the room and use the hotel towels to dry it.
- A vaccination card may be required.
- As the owner of your dog staying at the hotel, you must comply with the regulations in force and will be responsible for any actions that may result from its behavior, exempting the hotel from any responsibility. You are also responsible for your dog's hygiene and cleanliness and for any damage to furniture or household appliances that may occur during your stay.
- If these rules are not respected, Es Pas reserves the right to cancel your reservation and / or invite you to leave the hotel.
- In the event of any damage, breakage or excessive dirt in the room or bedding and towels, Es Pas reserves the right to make additional charges.
