# OUR FACIALS

---

Enjoy our wide range of facial treatments adapted to the needs of each skin type, which we detect through a full prior assessment.

## *BASIC FACIAL HYGIENE*

**90' - €70**

Facial cleansing which eliminates all accumulated impurities, both from the environment and specific to the skin (blackheads, etc.) and which recovers the complexion, giving it vitality, freshness and brightness.

## *FACIAL HYGIENE PLUS*

**110' - €85**

Professional technique which combines the basic facial hygiene with three peelings which give the skin shine and brightness, a healthy, radiant appearance and great vitality. Recommended for all skin types.

## *DERMA PEN 90'*

**1 Session: €100 / 5 Sessions: €450**

Innovative medical-aesthetic micropuncture treatment which stimulates the production of natural collagen and elastin, strengthening the skin quickly and effectively. Rejuvenate your complexion, reducing wrinkles, puffiness, under-eye circles, scars and imperfections.

## *HYALURONIC PEN*

*Duration and price personalised after a prior diagnosis*

The Hyaluronic Pen is a pen shaped device with which sufficient pressure is applied to introduce a compound of hyaluronic acid under the dermis of the skin, filling and elevating the depth of the wrinkle to obtain spectacular results.

## *DERMA PEN + HYALURONIC PEN 110'*

**1 Session: €115 / 5 Sessions: €500**

Complete treatment which combines the two technologies.

## *MOISTURISING PLUS*

**€65**

Innovative treatment which promotes the double moisturising of the skin, and whose function is to strengthen and restore the hydrolipidic barrier of the complexion. Its innovative textures quench the skin's thirst, giving a sensation of immediate freshness.

## *PRE-BIOTIC DEFENSE 60'*

**€80**

Strengthening, calming and refreshing treatment rich in probiotics, ideal for skin which is sensitive, fragile and susceptible to redness. It softens and re-establishes the protective barrier through a delicate action which is kind to the skin.

## *SUBLIME SKIN 60'*

**€70**

Advanced anti-aging treatment which carries out a filling action on the skin to correct wrinkles and improve elasticity. This treatment is rejuvenating, acting from within, for the most demanding skins.

## *VITAMIN ANTIOXIDANT 60'*

**€75**

Exclusive treatment based on vitamins and antioxidants which helps skin to recover from oxidative effects while providing brightness. Specially designed for skins which are exposed to the sun, tired and undernourished.

## LPG or LIPOMASSAGE

1 Session: €63 / Pack of 10 sessions: €500

LPG is a mechanised tissue kneading procedure which releases resistant fat, evens cellulitis and strengthens the skin. Thanks to the Endermologie roller suction technology, it carries out a massage that allows the release of adipocytes, resulting in a more redefined, stylish figure.

*\*THE CLIENT MUST PURCHASE A MESH FOR PERSONAL USE TO BEGIN THE TREATMENT. COST: €30.*

## PRESSOTHERAPY 30’

1 Session: €32 / Pack of 10 sessions: €250

Pressotherapy is a medical technique suitable for lymphatic drainage in people with medical and aesthetic problems, such as alterations to the circulatory system, tired legs, vascular spider veins, oedemas, cellulite and accumulations of fat.

## CAVITATION / ULTRASOUND - NARL 40’

1 Session: €63 / Pack of 10 sessions: €500

Narl is a revolutionary new technology which eliminates both subcutaneous and visceral fat, without having to subject the patient to any kind of surgery. Its technique is based on an ultrasound frequency with a specific intensity, which causes the production of Noradrenaline, in turn initiating lipolysis which will decompose triglycerides into fatty acids.
