

A still life composition of spa and massage ingredients on a dark, textured wooden surface. In the upper left, a glass bottle with a cork stopper and a twine tie contains a golden-yellow liquid. To its right, a white, fluffy towel is rolled up. In the center, a shallow wooden bowl is filled with white, chunky salt crystals. To the left of the bowl, a wooden scoop is partially filled with salt. To the right, a rectangular bar of light-colored soap is decorated with a sprig of green olive leaves. The text "SPA & MASSAGE" is overlaid in a white, serif font across the middle of the image.
