### WHAT IS THE PARADISO ART HOTEL?

Art comes to life in our most media-friendly hotel. An art gallery curated by ADDA GALLERY PARIS, exhibitions in the lobby, a tattoo studio, the color **pink** and the **type of Art Deco normally found on Ocean Drive in Miami** are the essence of this hotel.

### WHEN WAS THE ZERO SUITE CREATED?

The same year the hotel was built. Each one of our hotels has a wow factor or unique feature that makes the hotel much more than just a building with rooms in it and creates experiences that the guest will remember long after they check out.

### WHAT IS IT?

It's a room located on the ground floor of Paradiso Ibiza Art Hotel, close to the main entrance, and its walls are entirely made of glass. It's a completely furnished room, with a bed, a table, chairs and a bathroom with a toilet and shower (this area of the room has privacy). Also available for artistic performances, radio broadcasts, DJ sets... the possibilities are endless as long as you like being the center of attention.

### HOW LONG HAS IT BEEN RUNNING?

Since 2018

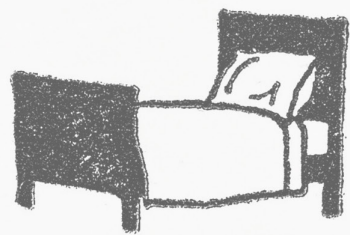

### HOW CAN PEOPLE ARRANGE TO STAY IN THE SUITE FOR A FREE NIGHT?

They can book by emailing [paradiso@conceptho-telgroup.es](mailto:paradiso@conceptho-telgroup.es) or by clicking on this link: <https://www.paradisoibiza.com/make-it-great/#zero-suite>

### ARE THERE RULES ABOUT STAYING IN THE SUITE?

You'll have to sign a release form, with the right to use your image, as you could be filmed and or photographed in the room. You can only stay one night. The check-in and check-out hours are similar to any other of our rooms. A maximum of two people are allowed to sleep in the room. You won't be able to repeat your stay in the same calendar year.
