SUMMER CAMP 2024

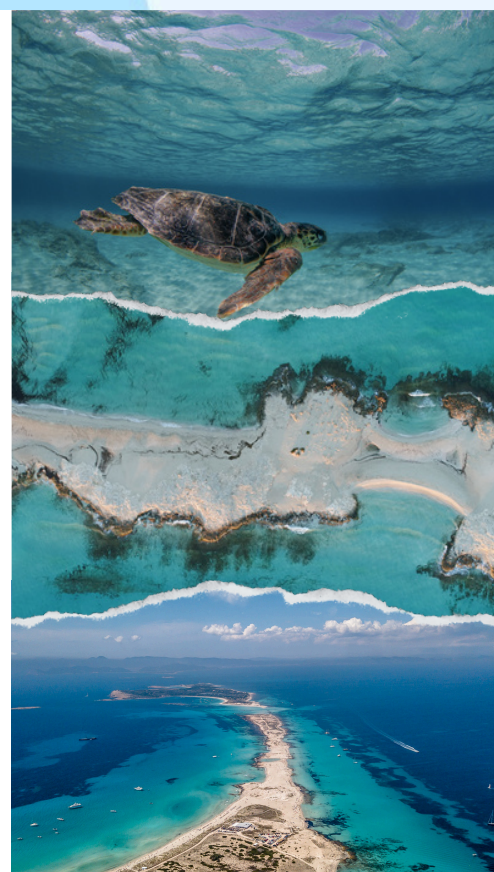

## "A CONSCIOUS SPORT"

At Whitesand School  
we maintain a  
**commitment to the  
marine environment.**

Come and enjoy these  
sporting experiences  
while learning about  
the environment that  
surrounds you,  
including the great  
beauty and  
biodiversity of **Ses  
Salines Natural Park!**

# WHITESAND SCHOOL CAMPUS

## WHAT IS IT?

Whitesand Summer School is a campus organized by the environmental consultancy Whitesand Solutions, which seeks to combine aquatic activities with environmental workshops within the natural environment of Formentera.

**AGES?** 10 and 14 years old

## SPORTS:

Whitesand School Summer Campus is designed to introduce sports such as kayak, paddle surfing (SUP) and wingfoil from a conscious and respectful point of view with the marine environment.

## ADDITIONAL ACTIVITIES:

Whitesand School offers environmental workshops where, in addition to actively learning new knowledge about the environment that surrounds us, we enjoy games and other activities.

## SPORT ACTIVITIES

The sports activities offered by the campus are: **kayak, paddle surfing and wingfoil** which will be combined with other complementary sports such as swimming and other training such as navigation, maritime safety and lifeguard basics. The learning phases are:

- **Baptism:** first contact with sports – kayak, paddle surfing and wingfoil.
- **Initiation:** you learn the basic technique of navigation with nautical elements as well as the assembly and disassembly of the material and knowledge of the winds and navigation. Basic sports values are taught.
- **Improvement:** the technique is perfected, they participate in competitions between the group to learn the regulations and advance in the values of basic sport.

## COACHES

Whitesand School Summer Camp is coordinated by staff specialized in these sports, thus ensuring an educational and recreational experience of the highest quality. This team is made up of professionals with extensive theoretical and practical training, and they also have previous experience teaching young people.
